Data sets 11-07001; 11-07013; and 11-07023 have been published to Scribe. Please note, strontium-90 data was received for two samples in data set 11-07023 over the weekend. This data is being reviewed by the CHP. An EDD including the strontium data, only, and a revised validation narrative will be sent out. This data will be published to Scribe after review.

Thanks,  
 Kristie
